ROSE ANN FONTANA

ITHACA - Rose Ann Fontana, the only daughter of Lucille and the late Jasper Fontana, was born in 1943 in Ithaca, NY. Rose's international travels began after high school and continued throughout her life. She captured her travels, friends and family on film and prospered as a Creative Memories™ consultant in Texas. Rose Ann is also survived by two aunts and uncles in the Ithaca area, as well as a husband, three children, their spouses and six grandchildren. Rose was very involved with her local church and in the early morning hours of December 7th she went to the place her Lord Jesus had prepared for her, since He could not bear to share her with us any longer. Her memory will endure in our hearts with great fondness. In lieu of flowers, donations may be sent to the American Cancer Society.
